WAFER Food Pantry

September 1 at 11:02 AM · 🌐

Time and again we talk about how WAFER is dependent on a generous community of donors and partners. One partner that plays a key role in the success of the Mobile Pantry is the Housing Authority of La Crosse. Their contribution to the success of the program is immeasurable! From contacting patrons when the pantry is on site, helping highrise residents fill out applications for delivery, including all WAFER updates and dates in the monthly newsletter, to actually assisting on site to help residents get their monthly food package. WAFER staff is grateful to Fawn and Stephanie in particular for not only their partnership with WAFER, but also the unbelievable and compassionate service they provide to the people we collectively serve.

If you happen to run into one of these stellar ladies, please thank them for their tireless work!
