## Regulation changes set to go into effect July 1, 2025, for certain provision of the new HOTMA rule.

HUD has issued guidance to public housing agencies on compliance with the Housing Opportunity Through Modernization Act (HOTMA) Sections 102 and 104 regulation changes. As you are aware, some changes have already been implemented by our Housing Authority (i.e., Ceased Enrollment into Earned Income Disregard, Use of form HUD-9886-A, and NSPIRE inspections) as required. However, effective July 1, 2025 provisions to the following regulations will go into effect: Income Exclusions, Definitions, and De Minimis Errors. These HOTMA changes will improve fairness and flexibility in housing assistance programs. More information to come in the near future.

## **(NSPIRE) Inspection Process**

NSPIRE is going to change the way the Housing Authority needs to complete the annual inspections and re-inspections. NSPIRE really focuses on cleanliness and space in each apartment. It is highly recommended to pre-inspect your unit and report any deficiencies so they can be repaired prior to the inspection. If you see items in your unit that may be flagged for an inspection, call the office at 608-782-2264, ext. 221, to put in a work order.

### **These can include:**

- Broken or missing smoke alarms
- Missing or cracked electrical outlets or switch covers
- Lights or fans not working properly
- Doors off hinges or not opening/closing as designed
- Leaking or dripping faucets
- Toilet running or clogged
- Clogged drains
- Fridge or freezer not sealing properly

### **Important items in preparation for your NSPIRE inspection:**

- Window Egress - Nothing can be blocking the actual windows
- Items need to be at least 3 inches away from heat registers
- All windows and doors need to open, close, and latch properly
- Nothing can be covering the breaker box
- Need to have a minimum of 36 inches walking area in each room
- Pull Cords (if applicable) need to be hanging down and must almost touch the floor
- Kitchen counter and sink need to be clean
- Oven and Stove Top need to be clean and flammable items are not allowed on the stove top or in the oven
- Bathroom sink, toilet, shower/tub need to be clean
- All floors must be clean (mopped and/or vacuumed)
- While you are free to utilize your space as you see fit, overall, we suggest using furniture and surfaces for their intended purpose in order to reduce clutter and potential health and safety issues.

**We will keep everyone informed when more information becomes available.**

**Time: 8:00am-** Ready Bus will begin picking up residents/guests on the north side of town heading south. We plan to have everyone home by 5:00pm.

Enjoy a nice scenic drive to Minnesota, spend time at the zoo, and have lunch. On our way home there will be two options on where to eat or grab lunch (on your own). If you would prefer to pack your own lunch and eat on the bus that works too.

The zoo features more than 30 species of Minnesota native animals including otters, bison, black bear, bobcat, owl, wolf, eagles, snakes and more. ***No food or drink allowed in zoo. No pets are allowed in the zoo. No dogs except for certified service dogs are allowed in the zoo.***

***It will be mid-morning & cooler so we should be able to see all the animals.***
