## Regulation changes set to go into effect July 1, 2025, for certain pro- visions of the new HOTMA rule.

HUD has issued guidance to public housing agencies on compliance with the Housing Opportunity Through Modernization Act (HOTMA) Sections 102 and 104 regulation changes. As you are aware, some changes have already been implemented by our Housing Authority (i.e., Ceased Enrollment into Earned Income Disregard, Use of form HUD-9886-A, and NSPIRE inspections) as required. However, effective July 1, 2025 provisions to the following regulations will go into effect: Income Exclusions, Definitions, and De Minimis Errors. These HOTMA changes will improve fairness and flexibility in housing assistance programs. More information to come in the near future.

SHELTER & OUTREACH CENTERS

advocating against domestic & sexual abuse

## Notice

PLEASE refrain from feeding the birds and squirrels outside. The squirrels have crawled under residents' vehicles to burrow and have chewed wiring under the hoods. The birds, when close to buildings/apartments leave droppings all over the sidewalks, bicycles/racks, and vehicles. Also, other rodents who eat the leftover scraps try to get into our buildings/apartments.

## Housing Protection for Victims of Domestic Violence

*What you should know...*

On average, 1 in 3 women and 1 in 4 men will experience some form of violence committed by an intimate or domestic partner in their lifetime. One reason many victims do not disclose their experiences is because they worry that doing so will jeopardize their housing. There are protections in place for victims of domestic violence, sexual assault, and stalking, provided through Wisconsin state laws and the Violence Against Women Act (VAWA). As a victim, you cannot be evicted because of incidents of abuse, or due to the abuser's criminal activity directly related to the abuse. The owners of your property, or the Housing Authority, have the ability to evict an abusive household member to allow you and your family to remain in your housing. If you are experiencing violence in your home, please know that you are not alone. Contact the Housing Authority to invoke your VAWA or state protections or call New Horizons Shelter and Outreach Centers' Advocates for assistance, information and supportive services. You can reach an Advocate 24 hours a day, 7 days a week at 608-791-2600 or 1-888-231-0066, and all the services provided are free and confidential.

**Patrons may receive 1 complete package per month. Accounts must be up-to-date and current.**

**Patrons would be able to receive smaller packages – produce and bakery (and possibly surplus items) – the other weeks of the month, one time per week.**

**We also offer drive-thru for complete food packages only for people 60+ or those who have had staff approval.**

**The drive-thru is open Wednesdays and Thursdays from 10:00am-12:00pm for people 60+ or by staff referral.**

### **Mobile Food Pantry:**

**All Housing Authority residents qualify for this free service.**

You will need to wait in line. No one will be entering the WAfer Mobile at this time. Everyone will get a choice of dairy, meats, produce, bakery, and a pre-packaged food box. There will be staff and volunteers to help lift items into carts. High-Rise residents can use the building shopping carts to bring items up to their apartment; however, please clean and return the cart immediately for the next person to use. Neighborhood residents are encouraged to park near the mobile pantry or bring a cart or wagon to get the food back to your home.

**PLEASE** be patient, kind, and respectful of others while waiting your turn.

*EVERYONE needs to provide their picture ID, and all new residents need to bring a copy of their lease or a bill/state-ment with their current address listed on it.*

**The WAfer Mobile Pantry parks in the front of each high-rise from 9:00am-11:00am.**

**Forest Park on June 4** (1st Wednesday)

**Becker Plaza on June 10** (2nd Tuesday)

## (NSPIRE) Inspection Process

NSPIRE is going to change the way the Housing Authority needs to complete the annual inspections and re-inspections. NSPIRE really focuses on cleanliness and space in each apartment. It is highly recommended to pre-inspect your unit and report any deficiencies so they can be repaired prior to the inspection. If you see items in your unit that may be flagged for an inspection, call the office at 608-782-2264, ext. 221, to put in a work order.

### These can include:

- Broken or missing smoke alarms
- Missing or cracked electrical outlets or switch covers
- Lights or fans not working properly
- Doors off hinges or not opening/closing as designed
- Leaking or dripping faucets
- Toilet running or clogged
- Clogged drains
- Fridge or freezer not sealing properly

### Important items in preparation for your NSPIRE inspection:

- Window Egress - Nothing can be blocking the actual windows
- Items need to be at least 3 inches away from heat registers
- All windows and doors need to open, close, and latch properly
- Nothing can be covering the breaker box
- Need to have a minimum of 36 inches walking area in each room
- Pull Cords (if applicable) need to be hanging down and must almost touch the floor
- Kitchen counter and sink need to be clean
- Oven and Stovetop need to be clean and flammable items are not allowed on the stove top or in the oven
- Bathroom sink, toilet, shower/tub need to be clean
- All floors must be clean (mopped and/or vacuumed)
- While you are free to utilize your space as you see fit, overall we suggest using furniture and surfaces for their intended purpose in order to reduce clutter and potential health and safety issues.

**We will keep everyone informed when more information becomes available.**
