Happy Retirement to Nancy Peters

If you have not already heard Nancy Peters has retired. Nancy Peters started at the Housing Authority in December of 1980. It is safe to say that there isn't a job at the Housing Authority that Nancy could not do or did not do during her time with us. We know there are not enough words to describe how much the Housing Authority appreciated what she has done for our agency and the dedication she has shown over the past 46 years. Nancy will be greatly missed and we all wish her the very best in her retirement.

Welcome Carrie Jick

Carrie Jick is now the Forest Park & Ping Manor Occupancy Specialist and Admissions Specialist. Carrie comes to us with a lot of experience and we are very thankful to have her on our team.

Annual Home Inspections will take place at Sauber Manor this month

July 7-9, 2026

Notices have been posted, and everyone was given a copy along with the pre-inspection checklist. Please note we will be testing the emergency pull cords in each apartment (be prepared for the noise). **REMINDER: pull cord needs to be hanging down and must almost touch the floor. Also, nothing can be blocking the cord.** If you are not home, entry will be made, and a notice will be left for you.

Patrons may receive 1 complete package per month. Accounts must be up-to-date and current.

Patrons would be able to receive smaller packages – produce and bakery (and possibly surplus item) – the other weeks of the month, one time per week.

We also offer drive-thru for complete food packages only for people 60+ or those who have had staff approval.

The drive-thru is open Wednesdays and Thursdays from 10:00am-12:00pm for people 60+ or by staff referral.

Mobile Food Pantry:

All Housing Authority residents qualify for this free service.

You will need to wait in line. No one will be entering the WAFER Mobile at this time. Everyone will get a choice of dairy, meats, produce, bakery, and a pre-packaged food box. There will be staff and volunteers to help lift items into carts. High-Rise residents can use the building shopping carts to bring items up to their apartment; however, please clean and return the cart immediately for the next person to use. Neighborhood residents are encouraged to park near the mobile pantry or bring a cart or wagon to get the food back to your home.

PLEASE be patient, kind, and respectful of others while waiting your turn.

EVERYONE needs to provide their picture ID, and all new residents need to bring a copy of their lease or a bill/state-ment with their current address listed on it.

The WAFER Mobile Pantry parks in the front of each high-rise from 9:00am-11:00am.

Forest Park on July 1 (1st Wed.)

Solberg Heights on July 8 (2nd Wed.)

Becker Plaza on July 14 (2nd Tues.)

Sauber Manor on July 15 (3rd Wed.)

Ping Manor on July 16 (3rd Thurs.)

Stokke Tower on July 21 (3rd Tues.)

Stoffel Court on July 28 (4th Tues.)

All family unit residents are welcome to come to any of the locations once a month.

The Mobile Pantry stays the full scheduled time: therefore, do not feel you need to get there right away. They will have plenty of food for everyone. *If you have any questions, please call Tony Meyers at 608-782-6003 or email him at wafermobile@waferlacrosse.org.*

Feel free to check their website for the most current information: waferlacrosse.org.

BIKES & TRICYCLES

- All bicycles and tricycles need to be registered with the Housing Authority and have a Housing Authority sticker on them in a visible location.
- Bike racks are to be used for bicycles and tricycles only; do not lock wagons, wheelbarrows, etc. to the bike racks.
- No other Housing Authority property should be used as a makeshift bike rack - soda machines, handrails, maintenance equipment, etc.
- Bikes are allowed in your apartment BUT not in the hallway.
- Reminder, storage of any items in interior or exterior common spaces is not allowed, and if found, will be disposed of by the Housing Authority.

BIRDS AND SQUIRRELS

PLEASE refrain from feeding the birds and squirrels outside. The squirrels have crawled under residents' vehicles to burrow and have chewed wiring under the hoods. The birds, when close to buildings/apartments leave droppings all over the sidewalks, bicycles/racks, and vehicles. Also, other rodents who eat the leftover scraps try to get into our buildings/apartments.

(NSPIRE)

Inspection Process

NSPIRE is going to change the way the Housing Authority needs to complete the annual inspections and re-inspections. NSPIRE really focuses on cleanliness and space in each apartment.

It is highly recommended to pre-inspect your unit and report any deficiencies so they can be repaired prior to the inspection. If you see items in your unit that may be flagged for an inspection, call the office at 608-782-2264, ext. 221, to put in a work order.

These can include:

- Broken or missing smoke alarms
- Missing or cracked electrical outlets or switch covers
- Lights or fans not working properly
- Doors off hinges or not opening/closing as designed
- Leaking or dripping faucets
- Toilet running or clogged
- Clogged drains
- Fridge or freezer not sealing properly

Important items in preparation for your

NSPIRE inspection:

- Window Egress - Nothing can be blocking the actual windows
- Items need to be at least 3 inches away from heat registers
- All windows and doors need to open, close, and latch properly
- Nothing can be covering the breaker box
- Need to have a minimum of 36 inches walking areas in each room
- Pull Cords (if applicable) need to be hanging down and must almost touch the floor
- Pull Cords (if applicable) nothing can be blocking the cord
- Kitchen counter and sink need to be clean
- Oven and Stovetop need to be clean and flammable items are not allowed on the stove top or in the oven
- Bathroom sink, toilet, shower/tub need to be clean
- All floors must be clean (mopped and/or vacuumed)
- While you are free to utilize your space as you see fit, overall we suggest using furniture and surfaces for their intended purpose in order to reduce clutter and potential health and safety issues.

We will keep everyone informed when more information becomes available.

High-Rise Lawn Maintenance

Residents, if your parking lot borders areas where the maintenance staff must mow the grass, please park your vehicle so that the area can be mowed completely. Be careful not to park the front of your vehicle so that it overhangs the lawn because the maintenance men would not be able to do a thorough job.

Thank you for your cooperation.

Housing Protection for Victims of Domestic Violence

What you should know.... On average, 1 in 3 women and 1 in 4 men will experience some form of violence committed by an intimate or domestic partner in their lifetime. One reason many victims do not disclose their experiences is because they worry that doing so will jeopardize their housing. There are protections in place for victims of domestic violence, sexual assault, and stalking, provided through Wisconsin state laws and the Violence Against Women Act (VAWA). As a victim, you cannot be evicted because of incidents of abuse, or due to the abuser's criminal activity directly related to the abuse. The owners of your property, or the Housing Authority, have the ability to evict an abusive household member to allow you and your family to remain in your housing. If you are experiencing violence in your home, please know that you are not alone. Contact the Housing Authority to invoke your VAWA or state protections or call New Horizons Shelter and Outreach Centers' Advocates for assistance, information and supportive services. You can reach an Advocate 24 hours a day, 7 days a week at 608-791-2600 or 1-888-231-0066, and all the services provided are free and confidential.

DOOR SLAMMING

We are hoping everyone who lives in the high-rises can be a bit more mindful when shutting their apartment door or stairwell door. Please hang onto the handle so it doesn't slam shut and make a loud noise. *Thank you for being considerate of your neighbors.*
